Expects to Be Robbed. VISALIA, Nov. 21. - Southern Pacific officials have been notified that another train robbery is in contemyears ago. The sheriff of Tulare the teeth, are accompanying trains in expectation of an attack.

The Deadly Oyster. NEW HAVEN, CORD., Nov. 19 .- C. A. Linley, secretary of the State Board of Health, has completed his respondent, who were following the investigation of the typhoid fever cases at Wesleyan college, which have thus far resulted in the death of two students. He is satisfied that diseased oysters were the cause of the epidemic. The oysters were taken from beds in the Quinnipiac river, very near the outlet of a sewer. The wife of a member of the firm which owned these oyster beds died a short time ago of typhoid malarial fever. It is learned that a student from Yale and another from Amherst, who were present at the Middletown banquet, have been taken ill with the fever. Three Wesleyan students are at present critically ill.

OPPOSED TO PROGRESS.

The Mogui Indians Create a Disturbance On Account of Progressive Ideas of Their Chief.

Denver, Nov. 19 .- Captain Constant Williams, of the Seventh The Moqui Indians are few in

THANKSGIVING PROCLAMATION.

TERRITORY OF ARIZONA, EXECUTIVE DEPARTMENT, PRENIX, Sunday, Nov. 11, 1894.)

To the People of the Territory of Arizona, Greeting: ings of a kind Providence during Recognizing the manifold blessthe past year, and in accordance with a revered custom of the American people, and in conformity with the proclamation of the President of the United States, I do hereby appoint

Thursday, November 29, 1894, a day of Thanksgiving and prayer, to be observed by the people

throughout the Territory. Anxious About the Basket.

Truly the hearts of patriots ought to be filled with gratitude and a "gentleman of large means in a thanksgiving when we consider the Scottish county," who is responsible outcome of the threatening events for an anecdote illustrative of his of the past year, which demonstrates countrymen's carefulness in small that the principles of our government, when in the keeping of wise and courageous hands, are sufficient to meet and overcome the greatest tleman referred to had, it appears, a dangers which may menace the in-
